

FIND YOUR POLLING LOCATION IN KENTON COUNTY USING YOUR ADDRESS

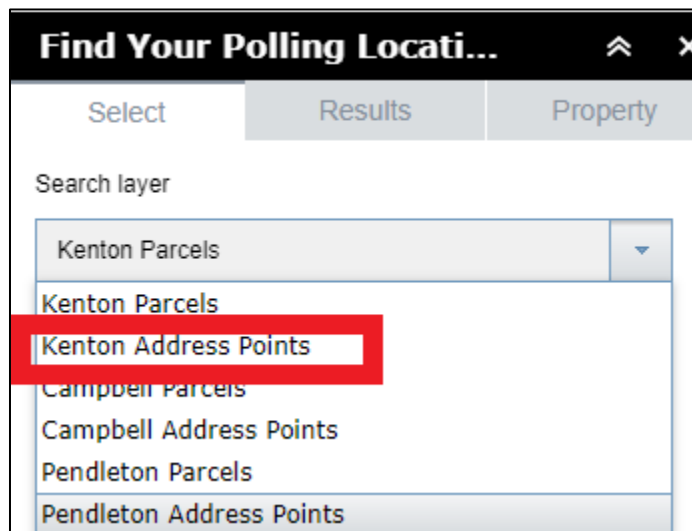

To find your polling location using your address follow these steps.

1. Click on https://linkgis.org/mapviewer_voting/
2. After you agree to the disclaimer, you will get the following menu in the upper right-hand side.

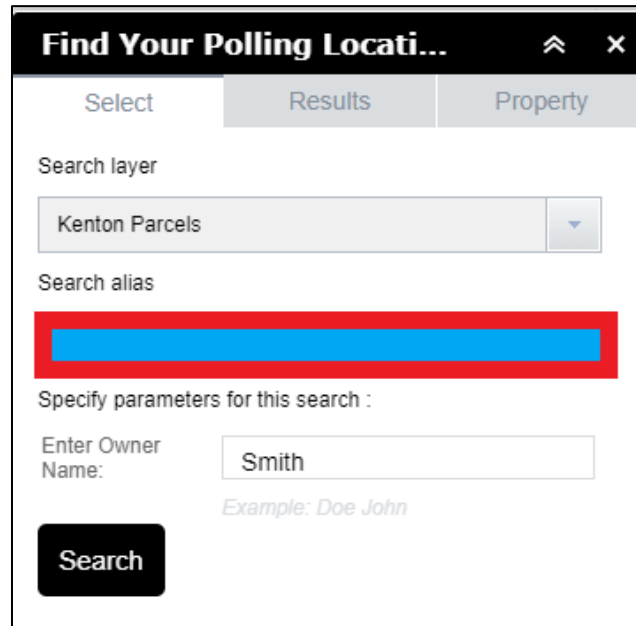

The screenshot shows a web application window titled "Find Your Polling Locati...". It has three tabs: "Select", "Results", and "Property". Under the "Select" tab, there are two dropdown menus. The first is labeled "Search layer" and currently shows "Kenton Parcels". The second is labeled "Search alias" and currently shows "Owner Name". Below these, there is a section titled "Specify parameters for this search :". It includes a label "Enter Owner Name:" followed by a text input field containing the word "Smith". Below the input field is a small italicized text example: "Example: Doe John". At the bottom left of this section is a black button with the word "Search" in white.

3. Under the Search Layer, you can choose from Kenton Parcels or Kenton Address Points. **Choose Kenton Address Points for better results**

This screenshot shows the same "Find Your Polling Locati..." window, but the "Search layer" dropdown menu is open. The menu lists several options: "Kenton Parcels", "Kenton Address Points", "Campbell Parcels", "Campbell Address Points", "Pendleton Parcels", and "Pendleton Address Points". The "Kenton Address Points" option is highlighted with a red rectangular box, indicating it is the recommended selection.

4. Next go to the **SEARCH ALIAS** option and change **OWNER NAME** to **ADDRESS**

Find Your Polling Locati...

Select Results Property

Search layer

Kenton Parcels

Search alias

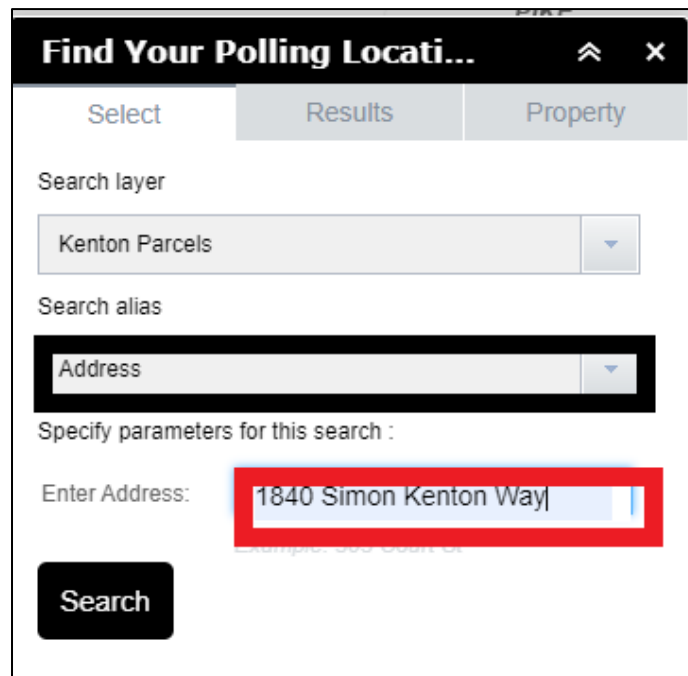

Specify parameters for this search :

Enter Owner Name: Smith

Example: Doe John

Search

5. After entering the address of the location click the SEARCH BUTTON. If search doesn't automatically bring up your address, then leave out the qualifier on the address. For example, don't add Street, Drive, Way.
