| 8. Mike Hoerlein | 1509 E. Henry Clay Avenue |

Mayor Nienaber explained how this issue came about. Recently there have been vehicles parked in the crest of the hill, in the driving lane on East Henry Clay. We had put an article in Top of the Hill News regarding this problem and have had many emails and phone calls on this issue both pro and con.

Some of the suggestions were to close off E. Henry Clay at Highland completely, restrict parking, not to restrict parking, lower speed limits, install speed bumps, put curbs on street to allow safety for walkers, add stop signs etc. After much discussion, Mr. Averdick suggested that we have representation from residents on E. Henry Clay Avenue and meet with Community Preservation Committee to give suggestions and then schedule an open meeting for everyone who would like to attend.

Resolution 3-12 Supporting Text Amendment Change

Mayor Nienaber advised that he had spoke to Bob Rowe from Covington Catholic regarding the issue of the lights on the athletic field, that will go before NKAPC on Thursday at their meeting. Mr. Rowe asked the Mayor if the City would support them on this issue. Mayor Nienaber requested that a Resolution be prepared in support of the installation of the lights and voted on as a Council. We have many students from our City that attend Covington Catholic and would benefit from this addition to the field.

Motion by Mr. Wessels, second by Mr. Feinauer to approve Resolution 4-14 as amended to read, A Resolution of the City Council of the City of Fort Wright, in Kenton County, Kentucky supporting a Text Amendment in the City of Park Hills that will allow lighting of the field at Covington Catholic High School. Motion by Mr. Feinauer, second by Mr. Hatter to approve. All members voting in favor, no one opposed. Motion passed.

Mayor Nienaber stated that we have been requested by the residents of Marcella Drive to address the placement of potential sound barriers behind their residences. Mr. Huff wrote a letter to the State Highway department asking them to reconsider their decision of not placing these sound barriers along this area. Mayor Nienaber read this letter and asked that all of Council sign this letter. Council agreed.

Dispatch

Mr. Wessels advised that he attended the meeting regarding the dispatch merger. Judge Arlinghaus requested that the cities let him know as soon as possible whether they would support or join with Kenton County on a dispatch merger. Covington will be joining Kenton County as soon as they are ready to handle this additional work. Discussion followed.

It was decided that Mr. Huff contact a representative from Kenton County, and to invite Park Hills Council, to attend a caucus meeting for discussion and question and answer period that Council may have regarding this matter.
