Grass Cutting

Issues discussed included weeds growing along the interstate ramps, cigarette butts and other trash being dumped by cars at or near the end of the ramps, grass cutting needs to occur more frequently and possibly further than 20 feet back, graffiti on lamp posts in the area. Suggestions were to get pricing for weed control, litter clean up, and possibility of hiring someone part-time or temporary to mow the sensitive areas, clean up litter and perform weed control spraying. Gary and Tim will get price quotes to spray the interstate areas, and also for current lawn service to cut the areas of concern more frequently. The areas of concern include interstate ramps and the grass area at Dixie and Kyles.

Todd McMurtry is also contacting Mark Guilfoyle, from Deters, Benzinger and Lavelle about possibility of hiring him to help get things done. Mr. Guilfoyle can get things to the Governor to get them done. These items include curbs along KY 17, the parking lot on Highland Pike, and cleaning up "staging area" under I-275.

Yearly Salary Adjustment

Mr. Huff presented a Consumer Price Index Summary showing a 2% increase for CPI in the past year. The calculations for employee wages show an increase for all salaries will be \$31,682 annually.
