NEW BUSINESS

1st Reading Ordinance 12-2023 Adopting a Waste Collection Fee – Ms. Bailey confirmed the former rate was \$197.00 per property parcel using Rumpke waste collection services. She said the new rate would be \$216.00 per property parcel, which is the amount the company charges the City. Ms. Bailey advised this is part of a normal increase in contract costs and the City only wishes to cover its costs and is not trying to make money on this contract or fee.

Councilman Weber made a motion to approve the first reading of Ordinance 12-2023, an Ordinance of the City of Fort Wright, in Kenton County, Kentucky, amending Section 51.09 of the Code of Ordinances to set the trash collection charge for the fiscal years 2024 and 2025.
