Resolution 11-14 - A Resolution opposing the Recommendation of the Kentucky State Auditor that would severely alter the Governance of the Kenton County Airport Board

The Mayor's Group was addressed by Judge/Executive Arlinghaus was asked to take Resolution 11-14 back to the cities. Auditor Adam Edelen suggested some changes to the structure of the airport. Kenton County does not like these changes, because the thought is that Kenton County owns the airport and these changes would be giving away ownership to surrounding Counties and Hamilton County in Ohio. Mr. Wessels stated there have been a lot of Kenton County dollars put into the airport. If other counties get involved there should be some kind of compensation from them. Only Kenton County residents should be a voting member of the Airport Board. Discussion followed.

Motion by Mr. Hatter, second by Mr. Wessels to approve. All members voting in favor, no one opposed. Motion passed.

Renewal of the Health Insurance for 2015

Mr. Huff addressed Council and noted that Mike Williams, the City's Insurance Broker, of Sherrill Morgan Agency, was present at the meeting to answer any questions Council may have. We are proposing to renew our Health Insurance with United Healthcare at an increase of 9.04%. This would be the same policy and coverage as last year with the City picking up a 5% increase and the employees a 4.04% increase. This increase is substantially less than other bids that were received.

Motion by Mr. Hatter, second by Mr. Feinauer to approve the renewal. Roll call vote taken, Hatter, Feinauer, Wessels and Abeln voting in favor, no one opposed. Motion passed.

There is an easement needed for two guide wires. Ash trees and others have been cut down, which saves the City money, and the line of sight has greatly improved.
