

Safety Tips

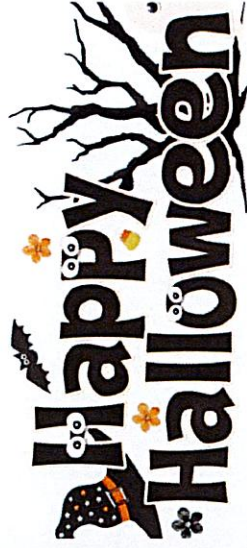

Never trick-or-treat alone. Go with a group of friends and remember to let an adult know your route before you go. Younger children should always go door-to-door with an adult.

Be visible to drivers. Walk on the sidewalk or the edge of the road towards oncoming traffic. Pay close attention to street signs and crosswalks for oncoming traffic.

Only go to homes with a porch light on or sign welcoming trick-or-treaters. Stay away from homes that look vacant and remember to never enter a home to accept candy.

Avoid dark places. Trick-or-treat in well-lit neighborhoods and carry a flashlight or extra lighting to clearly see your whereabouts.
